Judge: Robert J. Shelby

Motion for Judge to Review  
my arguments, & form ruling  
about Utah Code 64-13-23

In my opposition to the Defendants Summary  
Judgement, part two, Concerning Doug Cook and Disciplinary.  
Page 1 of 10, Court #2 You did not acknowledge, nor Rule on  
at all your Honor. Argument #1 I put forth was: The  
Disciplinary has NO Legal right to charge me any  
Fines in Disciplinary in the first place. Neither the  
Utah Code 64-13-33, nor 64-13-23 permit the  
Disciplinary offices to charge inmates fines. On page  
2 and 3 in my motion to oppose, I clearly and precisely  
explain this. In my disciplinary appeal they stated  
that Utah Code 64-13-23 clearly gives them the  
Right to give me Fines and take my money. That's an  
out right lie! Read the Utah Code 64-13-23, and you  
will see I'm correct your Honor. 64-13-33, clearly  
and precisely states that Disciplinary can charge us  
Restitution for what we destroy. But does not  
give them any Right to give me Any Fines at  
all. When you compare these two Utah Codes  
64-13-23 and 64-13-33. You can clearly see that  
64-13-33 concerns Disciplinary Restitution. To where

Utah Code 64-13-23 has absolutely nothing to do with Disciplinary charging people fines. It's a false hood spread by disciplinary that's evident by simply comparing them. So I ask respectfully that your Honor, look at that Complaint and Argument I submitted in my previous arguments, you ruled on. So that you may voice your opinion and rule on that as you did my other arguments.

I certify that on this 15<sup>th</sup> day of March 2018. I placed this document, and one to the following to the following. Postage Pre Paid.
